

AERO SAFETY SPEC ANTI-FOG, DIELECTRIC

E1900 Clear **E1902** Smoke
E1903 Amber

The AERO safety specs strike a balance between functionality and style for users seeking reliable safety eyewear.

Featuring a thin temple for compatibility with earmuffs and a lightweight construction, these safety glasses guarantee comfort during prolonged use.

Additionally, they boast dielectric properties, with no metal components, and offer extended side protection, providing 10% more coverage for enhanced safety.
