

VISPEC2 PREMIUM OVERSPEC

E3100

The Esko Vispec2 Premium Overspec is the ultimate solution for anyone needing protective eyewear that comfortably fits over prescription glasses. Featuring a medium impact rating, this versatile overspec ensures reliable safety without compromising clarity. The clear lens is equipped with advanced anti-fog and anti-scratch coatings, maintaining clear vision in challenging environments. With Flexi-fit side arms and a ratchet adjustment system, the Vispec2 offers a customizable, secure fit for all-day comfort and protection. Ideal for various work settings or recreational activities, this overspec provides both function and durability for those who wear glasses.
